Spoj čárou vždy dva stejné tvary a zkus je pojmenovat.

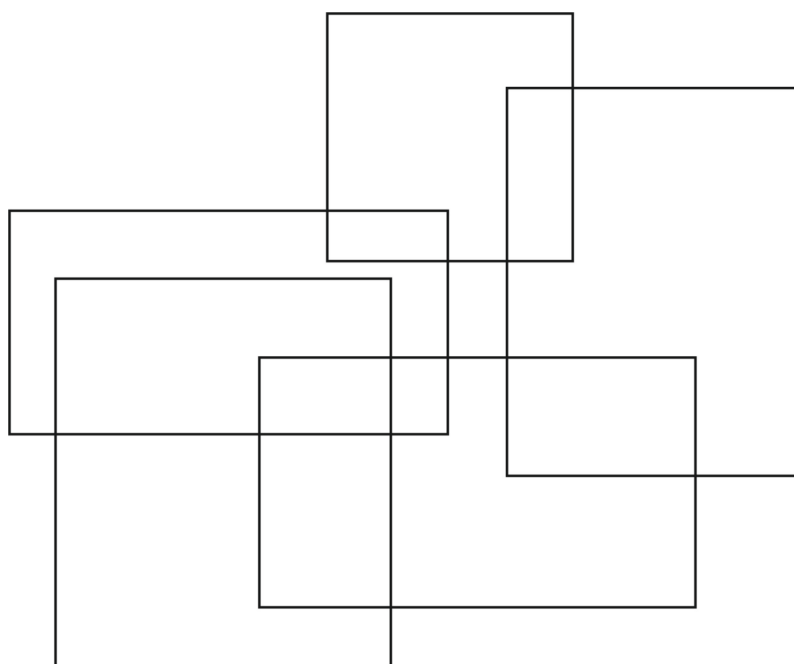

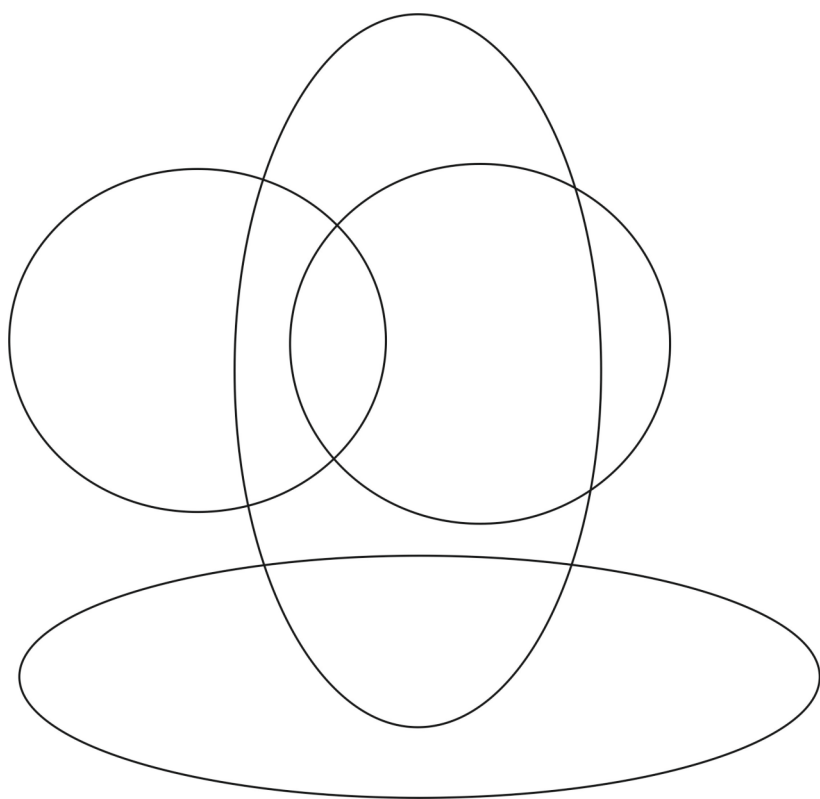

Vystříhej tvary a vždy ze dvou stejné barvy sestav obdélník.

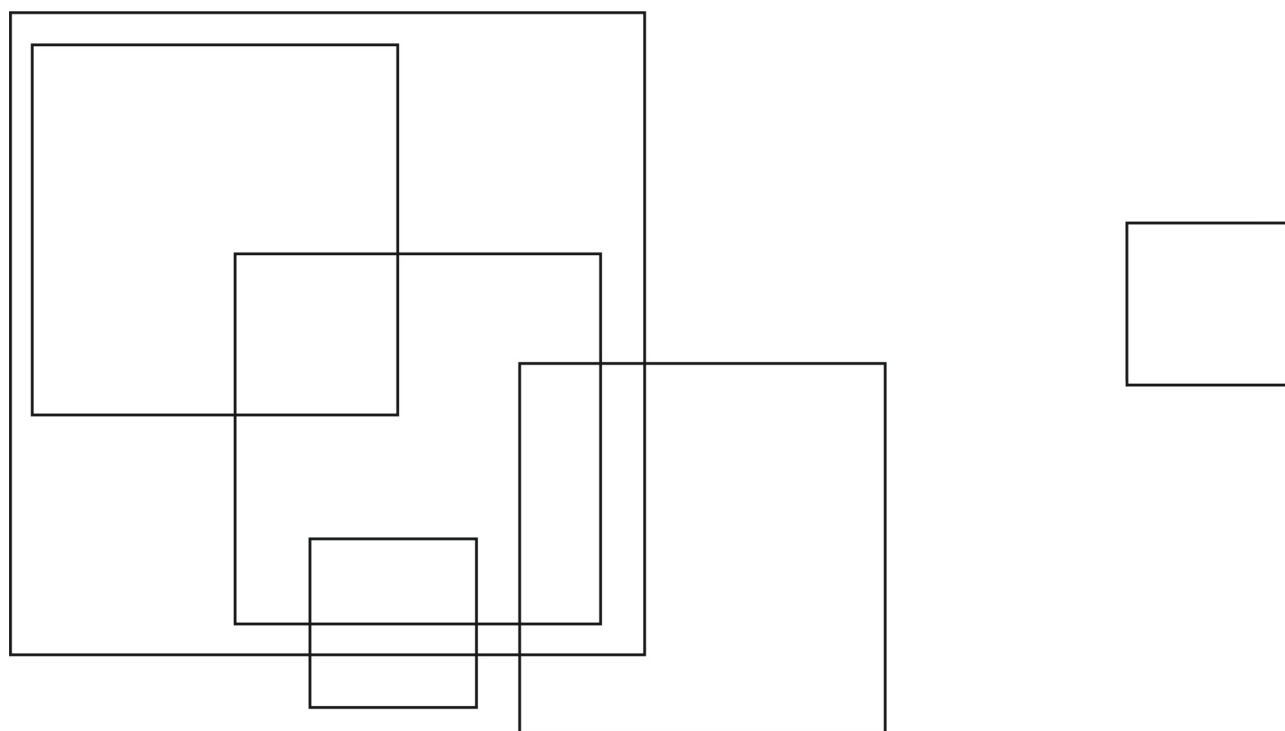

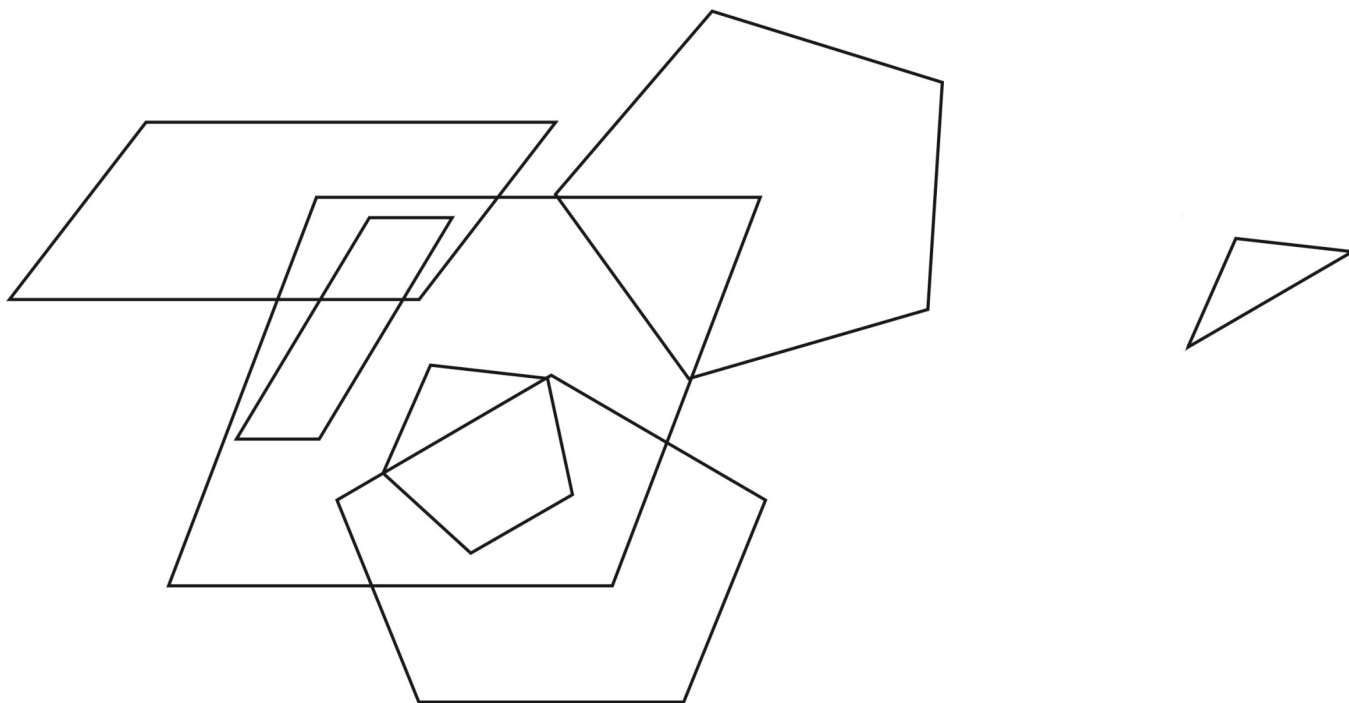

Najdi ve svém okolí něco co má tvar kruhu,  
čtverce, obdélníku a trojúhelníku a nakresli to:

Najdi ve velkém tvaru malý a vybarvi ho.

Najdi ve velkém tvaru malý a vybarvi ho.

Vystříhej si různé geometrické tvary různých barev a sestav z nich obrázek.
